

WEB SITE PRIVACY STATEMENT

Effective: September 15, 2008

In this Web site Privacy Statement (“Statement”), we, KLA-Tencor Corporation, provide information about how we collect, use and transfer personally identifiable data from you, a Web site visitor, through www.kla-tencor.com and other Web sites that we operate and on which we post a direct link to this Statement (collectively the “Site”).

SCOPE

This Statement covers only data collected through the Site and not any other data collection or processing, including without limitation, data collection practices of other Web pages to which we link or data that we or our affiliates collect offline, or through Web sites that do not display a direct link to this Statement. Occasionally, we may refer to this Statement in notices and consent requests related to surveys and special-purpose Web pages; under such circumstances, this Statement applies as modified in the particular notice or consent request (*e.g.*, with respect to types of data collected or purposes of collection).

Our **Safe Harbor Certification** covers offline and human resources data, but not data submitted through the Site, as further explained in our General EEA Safe Harbor Notice. Some of our business units and Web pages apply this Statement subject to specifically disclosed modifications, supplements or exceptions.

TYPES OF DATA AND COLLECTION METHODS

Through the Site, we receive data that you actively submit as well as data that we track:

Actively Submitted Data: When you request information, respond to an online survey or otherwise actively send us data, we usually collect data such as your name, e-mail address(es), mailing address(es), telephone number(s), and certain information related to the business you represent. In each such instance, you will know what data we collect through the Site, because you actively submit it.

Passively Tracked Data: When you visit the Site, we also passively track information on your computer and Internet connection, such as the IP address of your computer and/or Internet service provider, the date and time you access our Web sites, the Internet address of Web sites from which you link to our Site, the computer technology you are using and your movements and preferences on our Site. We use technology that many other Web sites employ, including without limitation, “cookies” or small data files stored on your computer’s hard drive, to collect information such as the aforementioned. In some instances, we also use cookies to collect information in connection with future visits from that Site, to recognize you as a previous visitor and to track your activity on the Site. You do not need to have cookies turned on to visit our Site. You can refuse cookies by turning them off on your browser.

Combinations: Unless you also actively submit personal information such as your name or address, passively tracked data does not typically allow us to identify you personally (even though it can theoretically be done, we do not have the means or an interest to find out who you are, unless you identify yourself voluntarily through an active submission of data). To the extent permitted by applicable law, we reserve the right to combine passively tracked data with personal data that you actively submit.

COLLECTION PURPOSES, USE OF DATA

We collect *passively tracked data* primarily for purposes of administering, protecting and improving our Site and our systems, to better understand the preferences of our Site visitors, to identify server problems, to compile aggregated statistics about Site usage, and to help personalize your experience of our Site.

We collect *actively submitted data* primarily for two purposes: First, for the purpose in which you originally sent us the data (*e.g.*, to mail information to you). Second, for purposes of informing you about products and services; you can opt out of receiving marketing e-mails as explained below.

WHERE WE STORE AND PROCESS DATA

We keep data in California and also have servers, contractors and employees around the world in various locations, including without limitation, other parts of the United States.

DISCLOSURES OF PERSONAL INFORMATION

We are not in the business of selling or renting your information to telemarketers and do not share your personally identifiable information with others, except as follows: We freely share your information with our affiliates. We also share your information with agents and service providers who use the data only on our behalf and for our purposes under confidentiality agreements. We may share your information as required by law or in the interest of protecting or exercising ours or others' legal rights (*e.g.*, without limitation, in connection with requests from law enforcement officials and in connection with court proceedings). We may share or transfer your information in connection with a prospective or actual sale, merger, transfer or other reorganization of all or parts of our business. Also, we reserve the right to fully use and disclose any information collected through the Site that is not in personally identifiable form.

OPT-OUT

In connection with promotions or other projects, we may ask you specifically whether you have objections against a certain kind of data use or sharing. If you opt-out under such circumstances, we will respect your decision. To opt-out of receiving further commercial e-mails or to unsubscribe from services, please contact us at info@kla-tencor.com. Please note that other data recipients have their own data privacy policies, which may differ from ours. You must contact them separately with respect to opt-out requests.

ACCESS

If personal information you have submitted through the Site is no longer accurate, current or complete, and you wish to update it, please send an e-mail to staffing@kla-tencor.com. Upon appropriate request we will usually be glad to update or amend your information, but we reserve the right to use information obtained previously to verify your identity or take other actions that we believe are appropriate.

Transmissions via the Internet are never 100 percent secure or error-free. However, we take reasonable steps to protect your personal information from loss, misuse and unauthorized access, disclosure, alteration, and destruction. It is your responsibility to safeguard any password and User ID you use to access the Site and to notify us at staffing@kla-tencor.com if you ever suspect that this password or User ID has been compromised.
